An eminent skin specialist recently discovered a new, sure, and effective remedy for freckles and giving a clear beautiful complexion that it is sold by Tragle Drug Company under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of ointment and remove them. Even the first night's use will show a wonderful improvement, some of the lighter freckles vanishing entirely. It is absolutely harmless, and cannot injure the most delicate skin.

Be sure to ask Tragle Drug Company for the double strength ointment; it is this that is sold on the money-back guarantee.
